August 2nd, 2025, 10:52PM: 222 Washington Ave #24: My 83 year old mother had to move again due to the cyber terrorists / Voice To Skull technology. Within hours of moving into the new place, CHEMICAL WEAPONS / NERVE AGENTS were being dispensed in her apartment. At approximately 10:50 PM on August 2nd, 2025, both my mother and I started feeling excruciating pain due to the nerve agents being dispensed in the apartment from APT 23. June 8, 2025, approx. 6:50PM: While at John Reed (1202 3rd Street Promenade, Santa Monica, CA 90405) the woman pictured below, went on the StairMaster next to where I was and dispensed CHEMICAL WEAPONS. There was no oxygen in the air and could not breath so I had to leave to another area where the air was OK. She was affected as well and left shortly thereafter. The picture below is of her exiting

the place and talking on the phone (most likely with her handler). She came back about 10 minutes later. I left the area. These criminals have infiltrated all places, even gyms. Hypothetical question: Are members of congress/senate/FBI/government officials and their families attending such places (including grocery stores, restaurants, hotels, etc.)? They are most likely TARGETS of this criminal network WITHOUT EVEN KNOWING. MISTERIOUS HEALTH ISSUES ARE CREATED BY THIS TYPE OF COVERT EXPOSURE TO CHEMICAL WEAPONS. TORTURE AND MURDER IN PROGRESS!!!

How could I have, 8 years ago, predicted what will happen to my mother (that she will develop Alzheimer/Dementia) if not being fully truthful and accurate? My 82 y.o. mother is a victim of human trafficking that has been exposed to chemical

weapons resulting in DEMENTIA coupled with state of the art CYBER TERRORISM.

Incident# 25-386: January 2nd, 2025: Cyber terrorists sleep deprived my 82 year old mother and via v2k and Remote Neural Monitoring (feeding the information straight into her brain, bypassing area of the brain responsible for filtering out false information), they convinced my mother to leave her apartment and go to her old apartment. She is completely "possessed" by this human trafficking, criminal network. MURDER IN PROGRESS. TORTURE MENGELE STYLE ALLOWED TO GO ON. SOS!

Her apartment located at 951 12th Street, APT 1 is a GAS CHAMBER. After spending just a couple minutes there I was affected the whole day, making me unable to perform simple tasks at work. SOS!

December 29, 2024, approx. 1:45 PM: Man driving green Subaru with CA plate "6VXL331", ran after my car yelling, while I was pulling in the garage and once I opened the window, he dispensed toxic chemicals (chemical weapons) that resulted in extreme dizziness, pain on my facial (cheek bone) nerve, vision issues, ringing in my ear, balance issues, cognitive issues. He told me he was on the phone with SMPD to report me for (allegedly) recording him. I have reported him many times previously for dispensing chemical weapons while passing by

my unit. Organized crime owns this city and mass murder, although reported, goes on while authorities refuse to ACT.

SOURCE OF THE CHEMICAL WEAPONS: 951 12TH STREET, APT. 3 (located directly above my mother's apartment): MURDER IN PROGRESS!!!

It would be more humane for authorities to place my 82 year old mother in front of a firing squad instead of allowing the levels of constant Nazi / Mengele type of torture taking place continuously. Despite all the torture, SHE WANTS TO LIVE! PLEASE DO YOUR JOB AND PROTECT HER!
The great majority of Mental Illness cases are FRAUD, artificially created through the tools outlined below (chemical weapon concoctions, Voice to Skull, Cyber terrorism); just another tool for financing HUMAN TRAFFICKING.
Stop the torture, stop the human trafficking, stop the murder, stop the GENOCIDE.

Human trafficking cyber terrorists made my 82 year old mother to take everything out of the new apartment and made her go out in the cold midnight weather. She called me desperate to come pick her her. One human trafficker, driving Mini with NEVADA license plate "298 Z23" was monitoring her closely

and did about 3 u-turns trying to avoid me taking his license plate. PLEASE PREVENT MY MOTHER'S TORTURE AND DEATH!

PLEASE HELP US!!!

My 82 years old mother, a HUMAN TRAFFICKING victim, fought this organized criminal network since April 1, 2012 after retiring from the VA Hospital in Ann Arbor, Michigan at the age of 70 after 50 years of contributing to society, saving numerous lives, including the lives of many veterans.
She developed DEMENTIA (induced via exposure to chemical weapons) as a result of the torture suffered over the past 12 years:

This is how this criminal network is being financed: kick backs from getting people terminally ill and being institutionalized to eat their savings and get additional payments from the government when the savings are gone. Additionally, revenue generated via unethical medical research conducted on unwilling people, particularly elderly.

Documented methods used for dispensing Chemical Weapons AEROSOLS. This is only possible due to access to high tech **SURVEILLANCE** technology that allows pinpointing exact location of TARGET 24/7. There are at least 3 types of chemical weapons aerosols being used, depending on location: At a minimum, they cover ALL 3 places where a given target spends most of their time: HOME, WORK and CAR.

1. From adjacent apartments/homes (above and or next to the target's unit) (as described by FBI SAC Ted Gunderson)
2. In stores while passing in close proximity to target and dispensing the chemical weapons (there is a lag in effect)
3. From stationary car parked nearby the target's home.
4. From moving car positioned in front of target's vehicle (as described by FBI Los Angeles SAC Ted Gunderson)
5. On an overpass via pedestrians / people on bikes / skateboards, etc,, while the target vehicle drives on the freeway, under the overpass
6. Pedestrian walking by target or crossing paths with target.
7. Pedestrian crossing street in front of target's vehicle.
8. At one's place of work through janitors that dispense low "evaporating" chemical weapons that are slowly inhaled; due to the low concentrations the target / victim rarely realizes the exposure. The result is PERFECT MURDER: induced terminal disease that looks like "naturally" occurring.

As described above, it's impossible to defend oneself and the assaults with chemical weapons aerosols, over a long period of time will result in terminal disease / perfect murder (stroke, heart attack, cancer, multiple sclerosis, lupus, Alzheimer's disease, Parkinson's disease, etc.). 95% of targets don't even realize the exposure. The genocide is allowed to continue with people being murdered on a daily basis, making it look like "natural" causes. There are certain clear facial cues indicating exposure.

Rhetorical questions: Are the top government officials (President, head of the CIA, head of the FBI, Secretary of State, Secretary of Defense, and other authorities) exposed to the conditions described above on daily basis?
How is this not a matter of NATIONAL SECURITY?!?!

Every day wasted, results in MANY innocent people dying. It's equivalent to allowing Dachau death camp to operate while allied forces were in control.

How will society judge local, county, state and federal authorities and their refusal to ACT when the population at large will (eventually) find out that an AUSCHWITZ like (GENOCIDE) operation has been allowed to progress unchecked for so many years despite the numerous cries for HELP and ongoing TORTURE? WHEN WILL AUTHORITIES ACT? S O S

Same situation as my mother: Mary King (APPROX. 2016)

Mary King who used to reside at 852 21st St #A, Santa Monica, CA 90403 is a perfect example of the process used in human trafficking the elderly.

- She was exposed to chemical weapons (arsenic, cadmium, lead, mercury, aluminum, etc.) known to cause Alzheimer's disease.
- She was subjected to Voice-To-Skull / Voice of God / Havana Syndrome technology designed to simulate symptoms of Alzheimer's disease. Just like in my mother's case "concerned" citizens (paid gang stalkers) FROM LOOKING AT THE DAILY SMPD CALLS, THERE ARE MANY SUCH TARGETS / VICTIMS. called SMPD to report "strange" situations.
- Her children had to sell her home (852 21st St #A, Santa Monica, CA 90403) in order to pay for her being placed in a nursing home (this is how the criminal network makes their money).
- She was placed in a nursing home in NY where her daughter (Jennifer Epelbaum) lived.
- SHE IS PROBABLY DEAD NOW AFTER BEING HUMAN TRAFFICKED FOR SO MANY YEARS and being milked of all her savings.

Update on below assault (Oct. 21): As a result of the assault with chemical weapons detailed below, I have been in excruciating facial nerve pain for 2 FULL DAYS.
October 21, 2024, 6PM: While visiting my mother, the man residing at 937 2nd Street, Apt. 6, driving blue Honda Element with CA license plate "VASILLI" started yelling at me and threatened to "punch my face in". He was not in his car when I got there, must have been dispatched to get out and wait for me. He was waiting for me in his car, got out and started yelling and threatening me. He has been dispensing chemical weapons in my mother's apartment for years now and I have been continuously reporting it while authorities refused to act. My mother's current condition is the result of years of TORTURE AND EXPOSURE TO CHEMICAL WEAPONS!!! STOP THE GENOCIDE!
In addition, as he got in close proximity to me while yelling and threatening me, he also dispensed chemical weapons. My head is currently throbbing, the veins on my temples are popping out, throbbing, having a headache, my whole head feels completely numb, ringing in my ears, particularly the right one, vision disturbances, eyes hurting in my skull just to name a few. THE AUTHORITIES CONTINUE THEIR REFUSAL TO ACT WHILE INNOCENT, LAW ABIDING CITIZENS ARE BEING MURDERED!

October 15, 2024, 8PM: I have visited my mother who is residing at 937 2nd St, Apt 2 and after spending approx. 10 minutes in her apartment, the ARSENICALS in her room got me dizzy and started having vision problems along with cognitive problems. My mother was almost incoherent from the exposure to chemical weapons dispensed from APT 6 above, in great pain from the continuous TORTURE. She got tired of running from this criminal network and is waiting to be murdered while authorities are refusing to ACT. It's mind boggling that this is happening in the USA while authorities are refusing to save innocent lives. STOP THE GENOCIDE!

October 12, 2024, 11PM, Incident # 24-104210: I have received a call from SMPD stating that my mother, residing at 937 2nd St, APT1 is having a mental breakdown and is outside her apartment screaming "Help!, Police, Police". Officer Sandoval (#3890) was extremely professional and helpful.
I have experienced and reported this many times: the CYBER TERRORISTS, using my voice, my daughter's voice, my son's voice, my wife's voice and other well known voices are playing various skits such as my daughter being raped, my son being physically abused, myself being abused or terminally ill, etc.. This time, according to my mother, my safety was in danger. The cyber abuse (via Voice to Skull) coupled with sleep depravation and attacks with chemical weapons from APT 5 (person driving vehicle with CA plate "VASILLI") taking place around the clock would break even the strongest person, no matter how young. The original CYBER criminals that I reported to Detective Roy Brown at the time, now Sargent Roy Brown, harassing my mother while she was living at 707 Idaho Avenue were Andrea Fenninger and Nicholas Prechter. Many have cycled and now there are new ones that although my (82 year old) mother is under the impression that live close by in the building are at a different location.
My mother is not mentally ill and does not need medical help. She does, however, need the AUTHORITIES to ACT and stop this organized criminal network from abusing her BASIC HUMAN RIGHTS.

Note the 2 very similar stories, one from Santa Monica, the other from New York. Both of these cases are somewhat similar to my mother's case. She might not be far from behaving like the people from these articles. I might also not be far behind. PERFORM YOUR DUTY! PROTECT LAW ABIDING CITIZENTS BEING TORTURED, ABUSED AND ULTIMATELY MURDERED. STOP THE GENOCIDE!

September 6th PM to 7th AM, 2024: Women from APT 2 (810 California AVE) dispensing chemical weapons overnight. I can physically TASTE the chemical weapons; in addition, the CO2 sensor from the quality meter captures the CHEMICAL WEAPONS (not CO2). As a result of the exposure my brain (inside my skull) feels like it's placed in a vice, my eyes are swollen and my face by the cheek bones gets swollen. Having difficulty breathing, vertigo and cognitive issues.

IN the past 40+ times I visited my ABUSED / TORTURED mother, this woman (shown below) is present EVERY time. As she passed by my car, she dispensed CHEMICAL WEAPONS. September 1, 2024, 1:45PM: Homeless dispatched/guided via Voice to Skull (V2K) to dispense chemical weapons while sitting on the stairs of my residence. In return for their "services" he is paid with a bottle of Jack Daniels. While sitting on the stairs and dispensing, he gets the bottle out and fills out his cup. Note how he passes the building initially and he is "guided" by his handler via Voice To Skull technology to return and sit on stairs. As a result of my brief interaction with him, I developed excruciating facial nerve pain for the next 24 hours because of the exposure to the Chemical weapons. Organized crime at its best. Santa Monica is controlled by organized crime while SMPD refuses to act.

Through closed windows, after 10 minutes after dispensing, the indoor air quality meter captured the increase in levels (although it's not specifically calibrated to capture the chemical weapons being used). Clinically, I can personally tell the difference when the "formaldehyde" number changes from "0.014" to "0.017". In the case mentioned, the formaldehyde changes from "0.014" to "0.053" due to the very potent chemical weapons being used. AND STILL SMPD REFUSES TO TAKE ANY ACTION, NO MATTER HOW SMALL. He passes by the area (fence) where the chemical weapons were dispensed at 2:36AM. Note the homeless used in dispensing chemical weapons is controlled via Voice To Skull (v2k) and directed what to do and where; this is a form of HUMAN TRAFFICKING as well, being used by organized crime as a slave, knowing that long term he will develop terminal disease and die.

Although authorities think that v2k is science fiction, see the link below showing a college professor demonstrating v2k to his students. The criminal network has access to much more sophisticated equipment.

This is in retaliation to Incident # 230118035. It further shows the 24/7 surveillance my family and I are exposed to. Organized crime at work. 3. August 2, 3, 2023: My 81-year-old mother is being exposed to nerve agents dispensed from APT6 (directly above her apartment).As a result, she's in excruciating pain.I've been there for just a few minutes and I've developed nerve pain as a result of the exposure to the CHEMICAL WEAPONS that

are dispensed in her apartment.THIS IS THE FUTURE, WHERE ONE'S HOME IS NOT A SAFE HEAVEN.THIS IS THE DIRECTION SOCIETY IS MOVING TOWARDS AND ALTHOUGH YOU MIGHT NOT BE A VICTIM NOW, YOU WILL EVENTUALLY BECOME ONE. This is only possible through AUTHORITIES' refusal to act.

4. In the context of Jennifer DeStefano's Senate Judiciary Committee hearing in June 2023 ( ) AI clones child's voice in kidnapping scam | Evening Standardhearing regarding (AI) voice cloning, imagine this (regarding my 81 year old mother):
   a. 81-year-old woman getting multiple AI generated voice cloning transmitted via Voice To Skull technology where her grand-daughter is being raped and abused, her grand-son being physically assaulted, her son being beaten / abused while she's being threatened to be RAPED.
   b. 81-year-old woman being 24/7 exposed to chemical weapons dispensed into her apartment that induce excruciating pain aimed at enslaving her along with other symptoms described in great details over the past 8 years.
   c. 81-year-old woman being sleep deprived and tortured by high tech criminal network.

This is not happening in China or North Korea, it's happening in Santa Monica, California, the U.S.A.

Regardless of how strong one is, how long do you think anyone would be able to sustain all this abuse? This is going on while authorities are refusing to act, allowing this BASIC HUMAN RIGHTS ABUSE to continue.

5. NERVE AGENTS and other chemical weapon concoctions (AEROSOLS) are being CONSTANLY / around the clock dispensed from APT2. The whole household experiences health issues related to this continuous exposure to chemical weapons: blurry vision (to the point that my vision will be permanently damaged), facial nerve pain, vertigo, difficulty breathing, chest pain, joint pain, cognitive issues, headaches, swollen face, etc.Couple driving vehicles with CA plates "and is dispensing it. **8MGG031" "9EJW651"** The air quality sensors are clearly picking up the chemical weapons being dispensed. **Man driving Toyota Mirai with CA plate "8CXP997" supplying chemical weapons on a bimonthly basis. STOP THE TORTURE! STOP THE GENOCIDE!** SOS

My home is saturated with chemical weapons dispensed from APT2.

6. January 19, 2019, approx. 9AM: Over 4 years ago, after dropping off my son to a football event at California State University Long Beach (1250 Bellflower Blvd, Long Beach, CA 90840), I went for a brief walk near the stadium.It was a cold, rainy day and I was wearing a beanie (no hair was showing at all).While I was walking , I was thinking: "I need to go get a haircut on my way home.". Shortly

after that (less than 2 minutes), a random guy, slowed down his car, rolled down his passenger window and yelled: “GO GET A HAIR CUT.”

If they are able to read the thoughts of a nobody like myself, it’s obvious that they use this advanced technology on SENATORS, CONGRESSMAN / CONGRESSWOMAN, FEDERAL / STATE / LOCAL OFFICIALS, high net worth individuals, actors, athletes, ETC. No security detail or amount of wealth can prevent these high tech criminals from COVERTLY murdering anyone of their choosing while making it look like a “naturally” occurring death; PERFECT MUDER.

How is this NOT a NATIONAL SECURITY ISSUE??!!??

Monitoring one’s brain activity, reading thoughts is not a technology of the future, it’s SURVEILLANCE technology of the PRESENT that ended up in CRIMINAL hands. See Jill Hampton’s feed for captured (RECORDED) examples: Jill Hampton (@JillHam69143072) / Twitter

7. 24/7 torture on my 81-year-old mother (937 2 St) continues while authorities refuse to take any action. Sleep deprivation, chemical weapon AEROSOLS attacks burning her eyes, respiratory airways, affecting her judgement, electronic harassment, etc. The term they use before they start the torture is “ndGUILLOTINE” which gives her excruciating pain from her spine; she’s in tears. She can barely walk straight due to the constant exposure to chemical weapons as she’s in excruciating pain. PURE TORTURE. The criminal network is using AI to impersonate my voice, the voice of authorities, deceased people to torment, torture and confuse her. Is there any humanity left in this world? She will end up dead in the very near future. When that will happen, it will be a HOMICIDE: PERFECT MURDER facilitated by authorities' refusal to act after almost 8 years of continuous, regular reporting. SHE IS CURRENTLY AT THE POINT THAT SHE CAN BARELY WALK DUE TO THESE CONTINOUS ASSAULTS WITH CHEMICAL WEAPONS. HER APARTMENT IS AN AUSCHWITZ CELL. IS TORTURE LEGAL IN SANTA MONICA, CALIFORNIA? SHE’S IN EXCRUCIATING PAIN AROUND THE CLOCK. STOP THE GENOCIDE! ENSLAVEMENT THROUGH TORTURE! THIS IS THE FUTURE.

SHE IS A HUMAN TRAFFICKING VICTIM! SOS!

An 81-year-old woman denied basic human rights, left to be tortured with , destroyed and murdered by high tech organized criminal network while she’s been crying for help for 8 years.This is the “reward”

for working hard for 50 years, contributing to society, saving the lives of hundreds of VETERANS.
Chemical Weapons, Directed Energy Weapons and Voice to Skull technology

8. Below is a summary of my father's autopsy.Full autopsy report conducted by a Board-Certified Pathologist is available upon request.Note the astronomical levels of heavy metals in his blood and liver tissue; this was the result of the chemical weapon AEROSOLS that have been dispensed from 1112 7 Street, APT 1717 that have had CUMULATIVE effects, as reported over the past 2 years. My father died in excruciating pain due to these chemical weapons. He could have lived a few more years if not for the CRIMINAL exposure to the chemical weapons. SMPD must bring the perpetrator(s) to justice.How many thousands of people have been COVERTLY murdered in Santa Monica in the past 20 years and how many more thousands of people have to be MURDERED before SMPD / authorities will act? th STOP THE GENOCIDE!

9. Here are some of the people murdered by this organized criminal network (note the similarities between Bruce Willis, Charles Bronson and Raquel Welch). The forensic evidence is there, one just has to be willing to look for it. Note, this COVERT exposure takes place over many years for the symptoms / disease to become apparent, making it look like "naturally" occurring, when in fact was CRIMINALLY induced, resulting in the perfect murder.

- Bruce Willis: diagnosed with dementia

- Charles Bronson: diagnosed with ; cause of death listed as pneumonia and due to the exposure to the chemical weapons / heavy metal aerosols. Who dies of pneumonia in Southern California? The similarities between these 2 actors are mind blowing.Alzheimer's diseasecardiac arrest

- Peter Falk, Diane Keaton: many similarities (pneumonia) to Charles Bronson.

- Raquel Welch: . cardiac arrest and Alzheimer's disease

- Robin Williams: suicide due to dementia diagnosis

- Michael J Fox: Parkinson's disease

- Glen Campbell

- Casey Kasem

- Liza Minnelli

- Frederic Forrest

- President Ronald Reagan

- PERFECT MURDERS / NO TOUCH KILL: List too long to include everyone.The forensic evidence is there for anyone willing to investigate. STOP THE GENOCIDE.
- Senator Feinstein
- Christina Applegate (MS)
- Maria Menounos (brain cancer and now pancreatic cancer).
- Val Kilmer
- Jeff Bridges (lymphoma)

- Speaker Kevin McCarthy (ongoing exposure – subtle facial cues)
- Mitch McConnell (the fall at the DC hotel and subsequent concussion were the result of COVERT exposure to chemical weapons;same technique used in Charles Bronson's fall resulting in hip replacement and Roger Ailes' death also from a fall).

All these are the result of COVERT, CRIMINAL, LONG TERM EXPOSURE TO CHEMICAL WEAPON AEROSOLS. These are PERFECT MURDERS. So many other obvious examples; one just must be willing to look at the forensic evidence that is available. PEOPLE (INCLUDING AUTHORITIES) ARE BEING MURDERED WHILE AUTHORITIES REFUSE TO ACT! No security detail can guard against these covert high-tech criminals.

Note: The symptoms and many of the chemicals reported over the past SIX+ YEARS are similar (if not identical) to the HAVANA SYNDROME reports: Pesticides likely caused 'Havana syndrome' that affected Cuba-based diplomats -- ScienceDaily

My 80-year-old mother is being TORTURED 24/7 with CHEMICAL WEAPON AEROSOLS as well as Voice To Skull (Voice of God) microwave technology. Daily DEATH THREATS and sleep deprivation are the new normal for her. The intensity of the attacks is constantly increasing. You, your parents or any of your family members could be next.

Note the whistleblower's statement in the clip below, particularly at minute 21 and on. He was employed by , CA. One has to realize that this advanced, top secret technology is used primarily on politicians (senators, congressman/woman) / (state/local) authorities, celebrities, high net worth individuals, without their knowledge. **Security Industry Specialists, Inc, headquartered in Culver City**Are there any National Security implications?

It is clear based on the most recent 60 Minutes report regarding Havana Syndrome ( )"Havana Syndrome" stumps investigators as U.S. officials report injuries on White House grounds - CBS News that this highly organized, well financed criminal network uses BOTH, microwave weapons as well as chemical weapons. And

there were other government official reporting it well before the “Havana” occurrence but they were not taken seriously (). Was a spy’s Parkinson’s disease caused by a secret microwave weapon attack? - The Washington PostUnlike the government officials, I have presented hard evidence along with actionable perpetrator information that could have been investigated for the past 6+ years; instead, my mother and I have been ridiculed and totally ignored while lives are being lost. Ms. Monaco, Ms. Gupta, Mr. Alway, Chief Batista, Detective Brown and Detective Haro:

Are assaults with chemical weapons / NERVE / BLISTER AGENTS, torture, hate crimes, attempted murder, and murder, human trafficking, healthcare fraud, kickbacks legal in Santa Monica, California? Anyone can be a target / victim of this high-tech criminal network, some without even realizing until it’s too late; most will never know their terminal condition was CRIMINALLY induced.

Any such future COVERT attack WITH CHEMICAL WEAPON AEROSOLS can prove to be the last and result in a stroke or heart attack while an autopsy will reveal “death by natural causes”.

As a law-abiding citizen, what does one have to do to get protection in Santa Monica?Does “To Protect and to Serve” mean anything to you or is it just semantics? **Can’t go on a walk, for a bike ride, grocery shopping, sit on a bench, sit in my own home to watch TV, work, read, relax, sleep without being assaulted with chemical weapons AEROSOLS.**SIX+ years of reporting criminal activity along with physical evidence and NO actions nor results.

Here is the list of SMPD Chiefs that I've been reporting this organized criminal network that COVERTLY murders people of their choosing:

1. Chief Seabrooks
2. Chief Semko
3. Chief Renaud
4. Chief Seabrooks
5. Chief Batista

Additional examples (small sample) of being assaulted with chemical weapons / nerve agents (supported by saliva samples and confirmed many times): arsenic, CYANIDE and other heavy metals such as manganese, aluminum, cadmium, cesium, , CHLOROPICRINKETAMINE, SARIN, lead, barium, mercury and sarin dispensed as and designed to COVERTLY induce terminal diseases over a long period of time while mimicking "naturally" occurring diseases. - AEROSOLSLOW CONCENTRATION AEROSOLS DISPENSED TO AVOID DETECTION; HOWEVER, THEY HAVE A CUMULATIVE EFFECT WHILE DEPOSITING IN TISSUE, RESULTING IN THE PERFECT MURDER. Why are these TERRORISTS getting a free pass in Santa Monica, California, torturing and murdering people of their choosing for at least the past 10+ years?

STOP THE TORTURE! STOP THE GENOCIDE OF INNOCENT PEOPLE!

MY HOME and my mother's apartment ARE ACTIVE GAS CHAMBERS. Thousands of people in Santa Monica are COVERTLY exposed to these chemical weapons without even knowing. Through its refusal to act, SMPD is complicit in this genocide.

SIX years of reporting accompanied by physical evidence: Lack of ACTION is a sign of CORRUPTION!

“Active shooter” like situation being treated like a “looting” situation. People’s lives are worthless according to SMPD.

My whole family is being slowly murdered (supported by physical evidence) and SMPD refuses to take action! Due to the continuous exposure to chemical weapons, I’m having a difficult time breathing and “chocking” like sensation, my eyes and face are swollen, vision issues, balance issues, cognitive issues, back, knee and overall joint pain, etc. As a result of this continuous exposure to NERVE AGENTS, most of the time, I’m in excruciating pain.

Since when it became the victim’s duty to collect physical evidence? It’s mind bugling that people paid to protect us are failing miserably at the most basic aspect of their job. Assault with chemical weapons, attempted murder, murder, torture, human trafficking and fraud are taking place without any consequences.Hundreds or even thousands of people in Santa Monica are being targeted with chemical weapons without even being aware of it, getting the run around from doctor to doctor, many accepting the criminally induced (terminal) conditions they experience.

Small sample of the 24/7 criminal operation taking place in Santa Monica, COVERTLY murdering selected targets through long term exposure to low concentration chemical weapons having a CUMULATIVE effect on selected targets that (over time) develop TERMINAL conditions (cancer, Parkinson's, Alzheimer's, stroke, Lupus, MS, ALS, etc.).

10. August 15 late PM, August 16 early AM & 8/16 late PM to 8/17 early AM: Chemical weapons are being dispensed from Unit #2.Couple driving Tesla vehicles with CA plates "8MGG031" and "9EJW651" are the ones dispensing the chemical weapons, particularly late at night when everyone in the household is sleeping.Note my swollen face / jaw as a result of this continuous exposure.This is while sleeping in my bedroom on the 1 floor; for the past year, I rarely sleep in my bedroom due to the high levels of toxicity.I sleep on the 2 floor living room on the couch.If one's home is not safe anymore, what is one supposed to do? st nd I'M BEING "SUCKER-PUNCHED" WITH CHEMICAL WEAPONS MULTIPLE TIMES A DAY AS WELL AS AT NIGHT.WHY ARE AUTHORITIES REFUSING TO FULFILL THEIR SWORN DUTY?

11. August 14, 2023, approx. 7:15 PM, Santa Monica College:Man shown in picture below, followed me to the rest room and dispensed NERVE AGENT AEROSOLS in front of the exit door such that when I left, I walked through the "cloud" of chemical weapons;I FELT IT RIGHT AWAY UP MY NOSTRILS WITH SYMPTOMS DESCRIBED MANY TIMES BEFORE SETTLING IN AS TIME PROGRESSED: blurry vision (to the point that my vision will be permanently damaged), facial nerve pain, vertigo, difficulty breathing, chest pain, joint pain, cognitive issues, headaches, swollen face, ringing in the ear, hearing issues, etc.As a result of this exposure, I've been in excruciating nerve pain for the past 24 hours.It's like getting "sucker punched" without being able to defend yourself.Any of these assaults can result in a stroke or heart attack and therefore result in a fatality. **WHY ARE THE AUTHORITIES ALLOWING PREMEDITATED MURDER TO TAKE PLACE?**
His wife was driving Mazda with CA plate "9EDY636".

This is only possible through the state of the art surveillance this criminal network has access to. If you were to check his messages, he received instructions and my picture.

12. August 13, 2023:My 81-year-old mother is being TORTURED physically (sleep deprivation, non-stop exposure to nerve agents and other chemical weapons dispensed from APT 6 above her apt. and APT 2, adjacent to her apartment) and psychologically through the use of V2K and AI voice cloning as detailed in item 3 below.While at her apartment for just a few minutes, I was briefly exposed to the nerve agents in her apartment and developed excruciating facial pain due to breathing in these chemical weapons. THROUGH THE TORTURE, SHE WAS CONDITIONED NOT TO LEAVE HER APARTMENT AND THEREFORE ACCELERATE HER EXPOSURE AND ULTIMATELY HER DEATH. WHY ARE AUTHORITIES REFUSING TO ACT AND ALLOW A PERSON TO BE MURDERED?

13. August 8, 2023, 4:03PM: Woman driving Fiat with CA plate “” dispatched to dispense chemical weapons as I was coming from work (driving the red Clarity).I had to drive around the block a couple times to minimize the exposure and avoid driving through the “cloud” of chemical weapons she dispensed in the alley.ALSO, NOTE **7BYH310 HER DRASTIC WEIGHT LOSS AS A RESULT OF REGULARLY DISPENSING CHEMICAL WEAPONS ON UNSUSPECTING, INNOCENT VICTIMS WHILE AUTHORITIES REFUSE TO ACT.**

14. The man residing at 1112 9 Street, APT8th, reported many times previously, dispenses chemical weapons (chloropicrin, sarin, other nerve agents) every time he passes by.Note his drastic weight loss due to the exposure to these chemical weapons.I have observed this type of weight loss on a number of other people in the “profession” (dispensing chemical weapons on unsuspecting, innocent people). WHEN WILL AUTHORITIES ACT AND STOP THE ONGOING GENOCIDE?!?!?

15. July 16, 2023, 8:30 PM: Teenager on e-bike dispensed chemical weapons on 2 occasions.He came to the field to meet his friends and rode his bike on the east side of the SMC track; he waited for me to come around the track.He left and when he came back, he rode the bike behind me, dispensing.The 2 time was when he was with his friends on the east side of the track and I passed in close proximity; he

dispensed chemical weapons as I passed by and I felt it right away. Shortly thereafter, my whole left hand side of the head was in pain and 12 hrs. later, I'm still in pain on the rear, back side of my head. nd Any of these attacks can be fatal.Why aren't authorities interested in PREVENTING a murder from occurring rather than facilitating it though its refusal to act?

16. May 4, 2023, 2:42PM: thWoman with toddler dispensed chemical weapons as I came out of the building. Note how she reports to her handler via text. Imagine the long term effect on the toddler: CHILD ABUSE.Immediately I felt the symptoms reported thousands of times to SMPD; more developed as time pregressed: dizziness, "out of body experience", felt like I was in a dream although I was fully awake, urge to urinate, blurry vison (my vision is damaged to the point that it does not recover anymore), cognitive issues, pressure on the brain (inside the skull), ringing in the ears, headache (that will continually get worse as time progresses, culminating with excruciating facial nerve pain), sharp chest pain / heart palpitations, vertigo / balance issues, anger / aggression, knee and back pain, swollen face, etc.

17. July 12, 2023, 9:50AM:Homeless couple was dispatched to dispense chemical weapons in the alley as my son was coming home. Note how they come from Wilshire Blvd, positioned themselves in the middle of the alley, waited for my son to pass through (white Honda CR-V) and left TOWARDS Wilshire (the same direction they came from) after their "mission" was accomplished. This is only possible due to the SURVEILLANCE my family and I are under. Santa Monica is owned by the gang stalking criminal network while authorities refuse to act. 19. July 4, 2023, 10:12PM: While coming home with my daughter, when coming out of the garage, the man passing right in front of us dispensed chemical weapons.Notice the swollen eye due to the exposure.As stated many times previously, the timing of the “encounter” is only possible due to the high tech surveillance that my family and I are exposed to by this organized criminal network.Will I experience a stroke or heart attack as a result of the next assault?Homicide in progress while authorities refuse to act.

20. Frederic Forrest, Santa Monica resident:His death was due to long term exposure to chemical weapons.There are certain SUBTLE cues indicating his COVERT exposure to these chemical weapons dispensed / inhaled as AEROSOLS.A thorough autopsy would highlight the exposure.One might say:

a. “He was 86 years old and lived his life”; however, a murder is murder regardless of age, although the advanced age helped cover it and make it look like “natural causes”,it resulted in the PERFECT MURDER.

b. Although one might say “86 years old is an advanced age”; it’s not only the age at which he perished, it’s the 10-15 years before while his health SLOWLY deteriorated (as a result of the gradual, CRIMINAL exposure to chemical weapons) resulting in PERFECT MURDER. Bruce Willis is a perfect example.Although he’s 66 and still alive, he’s life “ended” well before he was diagnosed.He might live another 10 years or even more, however, being in a “vegetative” state can’t be considered “living”.

https://youtu.be/BkHYAT6N3tk

21. June 24, 2023:Note the man reported hundreds of times that dispenses chemical weapons every time he passes in the alley walking his dog (as reported previously, he “walks” his dog every couple of hours from 5 AM to 7 PM daily).He drives Volvo with CA plate “ 5VXU263”. Note his marks on the skin due to the long term exposure (years) to these chemical weapons.Why is this criminal allowed to murder innocent people that he covertly dispenses chemical weapons on while on his “walks” while authorities refuse to act?

22. June 16, 2023, 6:33PM, Santa Monica College, 1 level of the parking structure, just north of the track:st While talking to a friend, a (Hispanic?) male in his late 20’s or early 30’s, with black hair, skin

fade haircut, dressed in black with pants just above knees, dispensed chemical weapons as he passed in close proximity to me, while going to his car.He was driving a black car, the license plate would show on any of the surveillance cameras in the parking structure.As a result of the assault, my eye got swollen as shown in the pictures below. I've been in excruciating nerve pain for the next 20+hours with symptoms detailed many times in previous reports. Any of these future attacks can be lethal, resulting in a stroke, heart attack, etc.It can be the very next one or the 101 next one. st Why are authorities refusing to act and are allowing assault, torture and murder to continue on innocent, peaceful people.

23. June 3, 2023, 9PM:While visiting my 81-year-old mother (937 2 Street), man shown in picture below, driving Mercedes with CA plate nd"8FBW695" dispensed chemical weapons while coming in close proximity to me.These regular assaults are designed to deter me from visiting my mother; same technique was employed when I was visiting my (now deceased) father.

24. June 2, 2023, 10:20 AM: Caretaker, woman with excessive gait, driving Nissan Versa with CA plate "7HPG807" and Honda Civic with FLORIDA license plate "48A UGH", dispensing chemical weapons.Note her gait due to the long-term exposure to chemical weapons.The chemical weapons were even capture by the Air Quality Detector which is not even designed to capture chemical weapon agents.In addition to the objective measurement, I felt the clinical symptoms right away after exposure.

https://youtu.be/XXJl8juX5-M

25. May 21, 2023, approx. 2:25PM: As soon as I got to SMC, woman driving Audi with CA plate "7YWB633" was dispatched to dispense chemical weapon AEROSOLS / nerve agents as soon as I got there, by walking in front of me.The undeniable symptoms were felt right away: blurry vision (to the point that my vision will be permanently damaged), facial nerve pain, vertigo, difficulty breathing, chest pain, joint pain, cognitive issues, headaches, , etc.Again, it shows the level of surveillance this organized criminal network exerts on me and my family. Not exactly the image of a criminal.It's impossible to defend yourself against this organized criminal network.WHEN WILL AUTHORITIES ACT?STOP THE TORTURE!STOP THE ONGOING GENOCIDE! **swollen face**

26. Starting May 18, 2023:While APT2 owners left out of town, dog sitter, woman driving Ford vehicle with CA plate “ 7HQU438”, hosted 3 additional gang stalking trainees (not exactly the “criminal” image), young women.As such, they continued dispensing chemical weapon AEROSOLS from APT2 into my unit during the day and mostly at night while the whole household is sleeping.The levels are 300 to 400PPM above the normal levels.The “dog sitter” provides training to the new trainees, torturing unsuspecting people around town.

27. Night of May 18/19, 2023:Dog sitter, woman driving Ford vehicle with CA plate “ 7HQU438”, dog sitting, dispensed nerve agents overnight from APT2.Why is this cult like organized criminal organization allowed to torture and murder innocent people of their choosing. When will authorities act? Even the air quality meter captured an approx. 400 PPM increase when the chemical weapons were dispensed which correlated with the clinical symptoms reported hundreds of times to authorities.

28. April 23, 2023, 6:30PM: While coming back home with my son, a handicapped gang stalker has been dispatched to dispense chemical weapons.As a result, after waiting with my son a few minutes in the front (white Honda Pilot), we changed our plans and drove around and went through the back.This is only possible due to the high-tech surveillance that allows this organized criminal network to pinpoint my location and my every move 24/7.Note the (mentally) handicapped gang stalker jumping uncontrollably while following directions from his handler. It’s a tragedy, not only for the victims but also for the enslaved handicapped that are used by this criminal network while authorities are REFUSING TO ACT.

Lastly, note the highlighted swollen SUBTLE facial features as a result of his own exposure when he dispenses the chemical weapons on unsuspecting innocent targets.

29. May 13 2023, 12:50PM (south side of the track at SMC): Young male, late teens / early twenties, dispatched to wait for me while I was coming to Santa Monica College to dispense NERVE AGENTS while I passed by him.This is only possible due to high tech, state of the art SURVEILLANCE that this organized criminal network has access to.Note these NERVE AGENTS as very “directionals”, in other

words the side that is on the side of the source (where is dispensed from) is affected.The whole right hand side nerves were affected including the facial nerve, shoulder nerve, back (right hand side) nerve, hip nerve,leg nerve.When will authorities act?SHOULD THIS BE TREATED AS AN “ACTIVE SHOOTER SITUATION” OR IT’S LEGAL TO DISPENSE NERVE AGENTS / CHEMICAL WEAPONS? Is TORTURE legal in Santa Monica?th

30. May 4, 2023, 2:42PM: thWoman with toddler dispensed chemical weapons as I came out of the building. Note how she reports to her handler via text. Imagine the long term effect on the toddler: CHILD ABUSE.Immediately I felt the symptoms reported thousands of times to SMPD; more developed as time pregressed: dizziness, “out of body experience”, felt like I was in a dream although I was fully awake, urge to urinate, blurry vison (my vision is damaged to the point that it does not recover anymore), cognitive issues, pressure on the brain (inside the skull), ringing in the ears, headache (that will continually get worse as time progresses, culminating with excruciating facial nerve pain), sharp chest pain / heart palpitations, vertigo / balance issues, anger / aggression, knee and back pain, swollen face, etc.

31. April 30, 2023, approx. 11 AM: While going out to meet with a plumber and get a quote, 2 different people reported many times in the past were dispatched (only possible due to the 24/7 surveillance) to dispense chemical weapon / nerve agents. The man drives Mazda CX-5 with CA plate “8WPY895”. The woman drives Ford Escape with CA plate “8SLX698”. Although I tried to go in the street to avoid direct exposure, the numerous, repeated exposures and the strength of these chemical weapons, although in low concentrations, still reached me; as a result of the exposure, I have experienced excruciating cheek bone nerve pain shortly after they dispensed. Any of the future exposures could be fatal resulting in the perfect murder.When will authorities act?How many more people have to be tortured and murdered for authorities to act?
